Arif Hussain

Full Stack Web Developer (MERN Stack)

arifhashimi9090@gmail.com 3RD Floor H No R-1031, Sector 8/C Lines A Lines Area PECHS

+92-3488241725 2006-10-25 Pakistani Single

Objectives

Motivated MERN Stack developer with hands-on experience building full stack applications, including REST APIs, authentication, and database design. I write clean, maintainable code and learn new tools quickly. I'm seeking an entry-level position to apply my skills and grow with a team.

Education

BS Software Engineering, *Virtual University of Pakistan* 2024 – Present
Computer Science, Information Technology, Web Development

FSc, *FBISE Islamabad* 2024
Computer Science, Maths, Physics

Matric, *FBISE Islamabad* 2022
Computer, Physics, Chemistry

Capabilities and Generic Skills

- Build responsive, mobile-friendly user interfaces with React, HTML5, CSS3, and Tailwind CSS/Bootstrap
- Design and manage databases with MongoDB and Mongoose
- Build complete CRUD applications from front end to back end
- Test APIs with Postman and debug using browser developer tools
- Write clean, reusable, and well-structured JavaScript (ES6+) code
- Develop RESTful APIs and server-side logic using Node.js and Express.js
- Implement user authentication and authorization (JWT, password hashing)
- Use Git and GitHub for version control and collaboration
- Deploy applications on platforms such as Vercel, Netlify, or Render

Personal Information

Religion: Islam

Professional Development

Full Stack Web Development (MERN Stack) Program, 05/2026 – 11/2026
Nexskill, Karachi May 2026 – Nov 2026 Karachi

- Learned HTML5, CSS3, Tailwind CSS, JavaScript (ES6+), Python, React, Next.js, Node.js, Express.js, and MongoDB
- Built full stack web applications through hands-on, project-based learning
- Deployed applications on Vercel and Netlify and practiced version control with Git and GitHub

HTML & CSS Hands-On Training Workshop 08/2023

Government of Pakistan | Degree College Skardu Duration: 10 Days

- Gained practical skills in HTML and CSS for web development.
- Applied responsive design and styling techniques in real-time exercises.
